Advanced Educator Inc School of Beauty offers comprehensive training in Nail Technology, Massage, Esthetics. These classes cannot be done through online or correspondence. These are hands on classes and must be done supervised and on site. All of these classes do include a kit. The Nail Technology is a 12 week diploma program. Massage is a 19 week diploma program. Esthetics is a 24 week diploma program. The Permanent Make up program is a 100 hour program.* please note that some states may require more hours for this training. The Permanent Make up course is a Certificate program. The Certificate is issued by the School Advanced Educator School of Beauty. The curriculum and class schedule is enclosed in this catalog.

Each program offering a (diploma) will also require taking a State Board exam once the student has graduated from the school. The student will graduate with the diploma and a school transcript. The student must pass a written and practical exam with a score of at least 75% to graduate. All information needed to pass the exam will be covered during the class. Student to teacher ratio will never exceed 10 to1. Once graduated each student will then need to register for his/her state board exam to become fully licensed in their field of study. In a certification program each student is fully certified upon graduation from the school. No further tests are needed to be qualified in their field of study.

Admissions policy. This class is offered to anyone over the age of 18, with an education of eighth grade or higher. These courses are offered only in the English language. A potential student must first fill out an application for enrollment. The student must sign the application stating that they have read and understand all of the information in the school catalog.
